

## SAINT LOUIS ABBEY

Wednesday, 6<sup>th</sup> Week of Easter—Father Laurence

The Father has given everything he has to the Son. After the Son returns to the Father, the Spirit of truth will take from what is the Son's and declare it to the disciples. The Spirit lives in us to glorify Jesus by reminding us what Jesus taught and conforming us to his likeness. The Spirit makes Jesus come alive in us. May we present ourselves as willing to be taught by this Spirit and drawn more deeply by him into what Pope Benedict likes to call the family of God.
