

## SAINT LOUIS ABBEY

### *Flightlight*

a white window of sky  
—two feet by ten—  
at the top of the wall of windows  
that show just buildings

a stark tree  
with only a few  
December leaves  
left on the branches

eight Canadian geese  
soar diagonally  
across the gray-white canvas  
up, up,  
and are gone
